NCIC Trading Partner Profile Registration Email Example	14

Overview:

This NCIC EDI Trading Partner Profile Registration provides each trading partner with the ability to create and submit a New Profile or an Updated Trading Partner Profile. This form will uniquely identify a trading partner as the sender of the data, how the data will be sent, the business & technical contacts, and the demographics for the Insurers and Claim Administrators.

Upon **completion** of the EDI Trading Partner Profile online, an auto response email will be sent to the primary contact and to the NCIC. This will serve as notification to all parties of the EDI Trading Partner information for NCIC EDI. Please see the email example in the [NCIC Trading Partner Profile Registration Email Example](#) section at the end of this document.

Upon **approval** of the EDI Trading Partner Profile by the NCIC, the EDI Support Team will contact the contacts to indicate when the profile or profile update will become effective for EDI reporting.

The following provides information for accessing and completing a NEW or UPDATED NCIC EDI Trading Partner Profile.

Accessing and Creating an Account for the Trading Partner Profile:

In order to access and complete a Trading Partner Profile, the Trading Partner will need to sign into [ISO's Trading Partner Registration system](#) (if previously registered).

If this is the **first time** accessing the ISO's Trading Partner Registration system, create an account by clicking on the 'Get Started' button. Once the 'Get Started' button is selected, enter your e-mail address and choose a password for your new account.

After your account has been created, a message will be sent to the specified e-mail address from: www-data@wccapture.com with an activation code to activate your account. Once the activation code is obtained, enter the code in the 'Activation Code' box and click 'Continue'.

How to complete a New NCIC EDI Claims Trading Partner Profile:

To create a New Profile, click on the 'Create New Profile' button.

Required fields are indicated throughout the instructions in bold formatting. Upon clicking on the 'Continue' button or 'Next Page' button, any required fields that are not completed will be noted with a red box around the required field.

When filling out the profile, if you see a reference to a DN, e.g., Insurer Name (DN0007), this will indicate that the information requested is a Data Element (DN) that is part of the Claims EDI report and will be reported to NCIC in EDI reports.

EDI Sender:

This section provides identifying information about the Master Trading Partner (Sender).

- **Sender Master FEIN:** Enter the Federal Employer Identification Number (FEIN) of your business entity. Please enter 9 digits with no punctuation.
- **Sender Postal Code:** Enter the Postal Code (Zip+4) of your business entity. Please enter 9 digits with no punctuation. Once Sender Master FEIN and Sender Postal Code fields are populated click on 'Continue'.
- **Company Name:** Enter the Company Name of the EDI Sender. The Company Name should be the entire name as listed on any licensing/registration applications filed with the NCIC and not an acronym.
- **Company Type:** Please select the Company Type of the EDI Sender from the options available in the dropdown.
- **Group FEIN:** This will be automatically populated with the Sender Master FEIN entered in the previous screen. Group FEIN will be utilized to allow a sender/company that purchased another company to be able to update the Claim Admin FEIN, etc. on a given claim in the same group even though they will have a different Sender ID (FEIN/PC).

Note: Sender Master FEIN and Sender Postal Code should be the same as those that the Trading Partner will use as the Sender ID (DN0098) in the Header Record of all its EDI transmissions. Once the Company Name is populated and the Company Type is selected, click on 'Next Page'.

1. Preparer Contact Information:

This section provides identifying information about the person completing the EDI Trading Partner Profile.

- **Preparer Name:** Enter the contact name of the person completing the EDI Trading Partner Profile.
- **Preparer Job Title:** Enter the preparer's job title.
- **Preparer Address, City, State, and Zip:** Enter the preparer's address.
- **Preparer Phone and Fax:** Enter the preparer's phone and fax number.
- **Preparer Email:** Enter the preparer's email address.

2. Primary/Secondary Contact for EDI Implementation/Setup:

This section provides the ability to identify individuals within your business entity who can be used as the main contacts for this trading partner profile. Two types of contacts should be identified: one

for business practices and issues, and one for technical issues. Enter the information below for both a business and technical contact that is the main contact for your company. In the event there is any communication on the EDI reporting, claims, requirements, etc., these contacts will be notified. The first contact entered will be the primary contact. If the primary contact is the same as the preparer, click on the 'Copy from Preparer' button: 

- Contact Name: **First**, Middle, **Last**, Suffix
- Job Title: **Contact's Job Title**
- Contact **Address Line 1**, Address Line 2, **City, State, Zip**
- Contact **Phone, Fax, Email**

3. Insurer(s):

This section of the form identifies the trading partners using this Sender to transmit data electronically to the NCIC. At least one Insurer is required for a new trading partner profile. If the Sender is also an Insurer, add an Insurer with the Sender's information. If there is more than one Insurer, complete an Insurer section for each one. Provide the full Insurer Legal Name (DN0007), Insurer FEIN (DN0006) and Insurer Type for each Insurer (Insurer or Self-Insurer) for whose claims the Sender will be transmitting data. NCIC will notify the Sender of any discrepancy between the identifying information entered and the NCIC's present records. This list will be used to reconcile identification tables, and it will be used as part of the edit on Insurer FEIN to match the NCIC's database. Complete an UPDATED NCIC EDI Trading Partner Profile to add or remove subsidiaries.
